

MINDING YOUR FUTURE

The "Re-Energize Your Personal & Professional Life" MASTERMIND

A "Mastermind" Group— What's In It for Me?

The "Re-Energize Your Personal & Professional Life" Mastermind is group coaching...

- Listen/Learn: Experience the benefit of listening to others being coached
- Ask/Learn: All are encouraged to ask questions and/or add helpful information
- Grow/Set Goals: Grow at your own pace and work toward new goals for the next meeting
- Define/Discuss: Be supported as you define or refine your goals
- Celebrate/Congratulate: Everyone's small and large steps are celebrated
- Accountability: Mastermind experience is a proven method of learning and accountability

You might be saying, "Sure, athletes, actors, and opera singers use a coach, but isn't a coach for a nurse or other healthcare professional out of the ordinary?" Glad you asked! To give you a better perspective, here is a thorough read on the subject by surgeon and author, Atul Gawande. This might change your mind about a mentor or coach! <https://www.newyorker.com/magazine/2011/10/03/personal-best>

Gawande's article beautifully segues to the adage:

You don't have to be sick to get better!

...are you getting the picture? The "Re-Energize Your Personal & Professional Life" Mastermind will help you take that NEXT STEP to become more successful. Are you stuck in a rut? Laurence J. "More gold has been mined from the mind of men than the earth itself."

"There is no substitute for persistence. The person who makes persistence his watch-word, discovers that 'Old Man Failure' finally becomes tired, and makes his departure. Failure cannot cope with persistence."

"Neglecting to broaden their view has kept some people doing one thing all their lives."
